

Easipower PlusTM

COAXIAL

The lightweight cordless solution for 2-component coaxial cartridges

The latest generation of Cox Easipower Plus dispensers provides the ideal portable tool for the professional user. Manufactured in the UK to strict ISO standards, Easipower Plus sets the benchmark for reliable battery-powered applicators which are easy to use, lightweight and ergonomically designed. Its sophisticated electronic control system delivers material in a smooth and precise manner. The speed sensitive trigger switch also enables less experienced operators to produce consistent beads of material on a repeated basis.

- Variable speed control for easy management of material flow
- Non-drip auto reverse function: rack will pull back automatically when the trigger is released preventing material overflow
- Lightweight and comfortable to use
- Overload shut off to prevent damage to parts and electronics when overloaded
- Low - medium viscosity
- Light aluminium barrel
- Maximum (no load) speed 9mm/sec
